**Linda Woods & Laurel Kenney**

Linda, a member of Wesley-Knox United in London, joined forces in April of 2015 to lead the Bread not Stones project in their area. They have since gone on to spread the message across the country. Their project has grown exponentially! To date, they've spoken on approximately 72 occasions. They have met with numerous politicians and also presented this initiative in the Ontario legislature to all 107 MPPs and to our London Mayor and Council. Linda and Laurel will not stop until significant changes are achieved for the 1.2 million children living in poverty in Canada.
