

Mitten Tree

What is the Mitten Tree?:

- Well, the Mitten Tree is actually a large candy cane! The candy cane is located in the hallway near the entrance to the Upper Hall and the church office. The Mitten Tree holds not only *mittens but hats* that are distributed to those in need at Christmas.

How can I help?:

- Yarn has been placed under the table at the entrance to the Upper Hall, please feel free to take yarn to make mittens and hats for the Mitten Tree.
- Purchased mittens and hats are also welcome.
