## Strings n' Things

offers a fun opportunity to play in an ensemble setting, to share music together and with our church family.

We may not be professional but we strive to be really good!

**We welcome seniors, sons, daughters, granddaughters, grandsons, nieces and nephews!**

Talk to Sonja van der Hoef (our music director) or contact Ian Seddon at [ian@ianseddon.ca](mailto:ian@ianseddon.ca) if interested in joining to make music. Students will receive volunteer hours for participating.
